Market Insight

CATEGORY ADVICE 2021

1 The Cereal category grew **+7.1%** in 2020 **+£96m**

2 PMP's play a key role in delivering value to the shopper – all of the top 10 selling cereals are price marked.

Of the top 10 PMP SKUs 8 are Kellogg's.

Coco Pops PMP and Crunchy Nut PMP are the fastest growing brands - look out for them!

3 Site Cereal Bars near impulse categories like confectionery, crisps and snacks to maximise sales.

Drive greater units per trip in the between meal-time occasions, through key adjacency with Coffee Machines.

4 Health consciousness is rising, stocking a good range of healthy products will improve category performance.

Weetabix, Special K, Bran Flakes and Alpen are the best performing brands in the segment.

5 Rice Krispies Squares is the No.1 treat brand in convenience!

Worth over £29M and **growing +9.6% YoY,** one single squares bar is sold every 2 seconds!

6 Private label drives category decline in L52we, while Branded cereal maintains 52we growth +£696k.

The switch to brands is expected to stick as 75% of shoppers say they will continue to purchase brands.
